LALA SLOATMAN, individually and on behalf of all others similarly situated,

Plaintiff,

vs.

TRIAD MEDIA SOLUTIONS, INC. d/b/a COMPARETOPSCHOOL.COM, and DOES 1 through 10, inclusive, and each of them,

Defendant.

Civil Case No.:

CLASS ACTION

**CLASS ACTION COMPLAINT
AND
DEMAND FOR JURY TRIAL**

Plaintiff Lala Sloatman, individually and on behalf of all others similarly situated, alleges the following upon information and belief based upon personal knowledge:

NATURE OF THE CASE

1. Plaintiff Lala Sloatman brings this action individually and on behalf of all others similarly situated seeking damages and any other available legal or equitable remedies resulting from the illegal actions of Triad Media Solutions, Inc. d/b/a comparetopschool.com, in negligently, knowingly, and/or willfully contacting Plaintiff on Plaintiff's cellular telephone in violation of the Telephone Consumer Protection Act, *47 U.S.C. § 227 et seq.* ("TCPA") and related regulations, specifically the National Do-Not-Call provisions, thereby invading Plaintiff's privacy.

JURISDICTION & VENUE

2. Jurisdiction is proper under *28 U.S.C. § 1331* because this matter arises out of a question of federal law, in particular the Telephone Consumer Protection Act, *47 U.S.C. § 227 et seq.*. Thus, this Court has federal question subject matter jurisdiction.

3. Venue is proper in the United States District Court for the District of New Jersey

pursuant to 28 U.S.C. § 1391(b)(1) because the sole Defendant resides in this judicial district.

PARTIES

4. Plaintiff, Lala Sloatman (“Plaintiff”), is a natural person residing in Huntington Beach, California and is a “person” as defined by *47 U.S.C. § 153(39)*.

5. Defendant, Triad Media Solutions, Inc. d/b/a comparetopschool.com (“Defendant”), is in the business of providing comparisons of education institutions. Defendant is domestic corporation duly organized under the laws of the State of New Jersey with its principal place of business in Hoboken, New Jersey. Defendant is also a “person” as defined by *47 U.S.C. § 153(39)*.

6. The above named Defendant, and its subsidiaries and agents, are collectively referred to as “Defendants.” The true names and capacities of the Defendants sued herein as DOE DEFENDANTS 1 through 10, inclusive, are currently unknown to Plaintiff, who therefore sues such Defendants by fictitious names. Each of the Defendants designated herein as a DOE is legally responsible for the unlawful acts alleged herein. Plaintiff will seek leave of Court to amend the Complaint to reflect the true names and capacities of the DOE Defendants when such identities become known.

7. Plaintiff is informed and believes that at all relevant times, each and every Defendant was acting as an agent and/or employee of each of the other Defendants and was acting within the course and scope of said agency and/or employment with the full knowledge and consent of each of the other Defendants. Plaintiff is informed and believes that each of the acts and/or omissions complained of herein was made known to, and ratified by, each of the other Defendants.

FACTUAL ALLEGATIONS

8. Beginning in or around September 2016, Defendant contacted Plaintiff on Plaintiff’s cellular telephone number ending in -0838, in an attempt to solicit Plaintiff to purchase Defendant’s services. Plaintiff received such call from Defendant while within the County of Los Angeles, California.

9. Defendant used an “automatic telephone dialing system” as defined by *47 U.S.C. §*

227(a)(1) to place its call to Plaintiff seeking to solicit its services.

10. Defendant contacted or attempted to contact Plaintiff from telephone numbers confirmed to belong to Defendant, including and not necessarily limited to (424) 332-5843.

11. Defendant's calls constituted calls that were not for emergency purposes as defined by 47 U.S.C. § 227(b)(1)(A).

12. Defendant's calls were placed to telephone number assigned to a cellular telephone service for which Plaintiff incurs a charge for incoming calls pursuant to 47 U.S.C. § 227(b)(1).

13. During all relevant times, Defendant did not possess Plaintiff's "prior express consent" to receive calls using an automatic telephone dialing system or an artificial or prerecorded voice on his cellular telephone pursuant to 47 U.S.C. § 227(b)(1)(A).

14. Further, Plaintiff's cellular telephone number ending in -0838 was added to the National Do-Not-Call Registry.

15. Defendant placed calls soliciting its business to Plaintiff on her cellular telephone ending in -0838 in or around September of 2016.

16. Such calls constitute solicitation calls pursuant to 47 C.F.R. § 64.1200(c)(2) as they were attempts to promote or sell Defendant's services.

17. Plaintiff received solicitation calls from Defendant within a 12-month period.

18. Defendant continued to call Plaintiff in an attempt to solicit its services and in violation of the National Do-Not-Call provisions of the TCPA.

19. Upon information and belief, and based on Plaintiff's experiences of being called by Defendant after being on the National Do-Not-Call list for several years prior to Defendant's initial call, and at all relevant times, Defendant failed to establish and implement reasonable practices and procedures to effectively prevent telephone solicitations in violation of the regulations prescribed under 47 U.S.C. § 227(c)(5).

CLASS ALLEGATIONS

20. Plaintiff brings this action individually and on behalf of all others similarly situated, as a member the two proposed classes (hereinafter jointly referred to as the "Classes").

21. The class concerning the ATDS claim for no prior express consent (hereinafter

referred to as the “ATDS Class”) is defined as follows:

All persons within the United States who received any solicitation/telemarketing telephone calls from Defendant to said person’s cellular telephone made through the use of any automatic telephone dialing system or an artificial or prerecorded voice and such person had not previously consented to receiving such calls within the four years prior to the filing of this Complaint.

22. The class concerning the National Do-Not-Call violation (the “DNC Class”) is defined as follows:

All persons within the United States registered on the National Do-Not-Call Registry for at least 30 days, who had not granted Defendant prior express consent nor had a prior established business relationship, who received more than one call made by or on behalf of Defendant that promoted Defendant’s products or services, within any twelve-month period, within four years prior to the filing of the complaint.

23. Plaintiff represents, and is a member of, the ATDS Class, consisting of all persons within the United States who received any collection telephone calls from Defendant to said person’s cellular telephone made through the use of any automatic telephone dialing system or an artificial or prerecorded voice and such person had not previously not provided their cellular telephone number to Defendant within the four years prior to the filing of this Complaint.

24. Plaintiff represents, and is a member of, the DNC Class, consisting of all persons within the United States registered on the National Do-Not-Call Registry for at least 30 days, who had not granted Defendant prior express consent nor had a prior established business relationship, who received more than one call made by or on behalf of Defendant that promoted Defendant’s products or services, within any twelve-month period, within four years prior to the filing of the complaint.

25. Defendant, its employees, and agents are excluded from the Classes. Plaintiff does not know the number of members in The Classes, but believes the Classes members number in the thousands, if not more. Thus, this matter should be certified as a Class Action to assist in the expeditious litigation of the matter.

26. The Classes are so numerous that the individual joinder of all of its members is impractical. While the exact number and identities of the Classes members are unknown to Plaintiff at this time and can only be ascertained through appropriate discovery, Plaintiff is informed and believes and thereon alleges that the Classes includes thousands of members. Plaintiff alleges that the Classes members may be ascertained by the records maintained by Defendant.

27. Plaintiff and members of the ATDS Class were harmed by the acts of Defendant in at least the following ways: Defendant illegally contacted Plaintiff and ATDS Class members via their cellular telephones thereby causing Plaintiff and ATDS Class members to incur certain charges or reduced telephone time for which Plaintiff and ATDS Class members had previously paid by having to retrieve or administer messages left by Defendant during those illegal calls, and invading the privacy of said Plaintiff and ATDS Class members.

28. Common questions of fact and law exist as to all members of the ATDS Class which predominate over any questions affecting only individual members of the ATDS Class. These common legal and factual questions, which do not vary between ATDS Class members, and which may be determined without reference to the individual circumstances of any ATDS Class members, include, but are not limited to, the following:

- a. Whether, within the four years prior to the filing of this Complaint, Defendant made any telemarketing/solicitation call (other than a call made for emergency purposes or made with the prior express consent of the called party) to an ATDS Class member using any automatic telephone dialing system or any artificial or prerecorded voice to any telephone number assigned to a cellular telephone service;
- b. Whether Plaintiff and the ATDS Class members were damaged thereby, and the extent of damages for such violation; and
- c. Whether Defendant should be enjoined from engaging in such conduct in the future.

29. As a person that received numerous telemarketing/solicitation calls from Defendant

using an automatic telephone dialing system or an artificial or prerecorded voice, without Plaintiff's prior express consent, Plaintiff is asserting claims that are typical of the ATDS Class.

30. Plaintiff and members of the DNC Class were harmed by the acts of Defendant in at least the following ways: Defendant illegally contacted Plaintiff and DNC Class members via their telephones for solicitation purposes, thereby invading the privacy of said Plaintiff and the DNC Class members whose telephone numbers were on the National Do-Not-Call Registry. Plaintiff and the DNC Class members were damaged thereby.

31. Common questions of fact and law exist as to all members of the DNC Class which predominate over any questions affecting only individual members of the DNC Class. These common legal and factual questions, which do not vary between DNC Class members, and which may be determined without reference to the individual circumstances of any DNC Class members, include, but are not limited to, the following:

- a. Whether, within the four years prior to the filing of this Complaint, Defendant or its agents placed more than one solicitation call to the members of the DNC Class whose telephone numbers were on the National Do-Not-Call Registry and who had not granted prior express consent to Defendant and did not have an established business relationship with Defendant;
- b. Whether Defendant obtained prior express written consent to place solicitation calls to Plaintiff or the DNC Class members' telephones;
- c. Whether Plaintiff and the DNC Class member were damaged thereby, and the extent of damages for such violation; and
- d. Whether Defendant and its agents should be enjoined from engaging in such conduct in the future.

32. As a person that received solicitation calls from Defendant within a 12-month period, who had not granted Defendant prior express consent and did not have an established business relationship with Defendant, Plaintiff is asserting claims that are typical of the DNC Class.

33. Plaintiff will fairly and adequately protect the interests of the members of The Classes. Plaintiff has retained attorneys experienced in the prosecution of class actions.

34. A class action is superior to other available methods of fair and efficient adjudication of this controversy, since individual litigation of the claims of all Classes members is impracticable. Even if every Classes member could afford individual litigation, the court system could not. It would be unduly burdensome to the courts in which individual litigation of numerous issues would proceed. Individualized litigation would also present the potential for varying, inconsistent, or contradictory judgments and would magnify the delay and expense to all parties and to the court system resulting from multiple trials of the same complex factual issues. By contrast, the conduct of this action as a class action presents fewer management difficulties, conserves the resources of the parties and of the court system, and protects the rights of each Classes member.

35. The prosecution of separate actions by individual Classes members would create a risk of adjudications with respect to them that would, as a practical matter, be dispositive of the interests of the other Classes members not parties to such adjudications or that would substantially impair or impede the ability of such non-party Class members to protect their interests.

36. Defendant has acted or refused to act in respects generally applicable to The Classes, thereby making appropriate final and injunctive relief with regard to the members of the Classes as a whole.
